

CRYSTAL KING

INTRODUCTION

Crystal King (legally Crystal Wang) is a 17 year old singer/songwriter, entrepreneur, and social activist. She has been performing since age 3, songwriting since age 7, and independently managing her professional music career since age 13. With over 200 original songs in her repertoire, various national and international awards, and numerous performing experiences across the nation, Crystal has already built a large fanbase at a young age. She utilizes this platform as a way to make a difference in the world by highlighting social issues in her lyrics and promoting important messages.
